Hi Gary – I think there were still a few sections of the CD for you to review; if you can do that soon, I'll be working on the PRN and AR, and then when you're done, we'll burn a disc with the draft CD and SOW to send to DOJ. Thanks.

Pam,

Here is what I have so far. The yellow highlighted parts are things to go back & confirm, or add additional info, or language I had some question on, etc.

Thanks,
